Population of Odesa is 1 million people as of 01/01/2017.

It is the 3rd most populous city of Ukraine and a major tourism center, seaport and transportation hub located on the northwestern shore of the Black Sea.

Odesa International Airport is connected with more than 60 countries worldwide.

According to Forbes magazine in 2015 Odesa took first place in the ranking of cities in Ukraine in terms of attractiveness for companies.

Safe city – far from war conflict in Ukraine
